Data Protection Act 1998. Information that you provide on this form will be used in connection with this health certificate application. We will also use your personal details to contact you concerning any aspect of apiculture or bees generally, which we consider would be of interest to you. APHA, Defra or its appointed agents may use the name, address and other details on your application form to contact you in connection with occasional customer research aimed at improving the services that APHA provides to you. APHA may be required to release information, including personal data, on request under the Environmental Information Regulations, the Code of Practice on Access to Government Information or the Freedom of Information Act 2000. However, any requirement on APHA to release information in connection with your health certificate application will not contravene our obligations under the Data Protection Act 1998.
